Cable Ties

FOR MORE PRODUCT INFORMATION GO TO:
www.fleetauto.com.au

Fleet Cable Ties are engineered and manufactured to meet or exceed industry standards to guarantee maximum reliability.

Internal serrations allow for a positive hold onto cable and pipe bundles. The design of the head guarantees a high tensile strength while allowing a very low insertion force.

All Fleet Cable Ties are Manufacturer Certified TS16949 / ISO9001.

BLACK - UV STABILISED

Part No.	Length (mm)	Width (mm)	Min Loop Tensile Strength (kg/lbs)	Pack Qty

CABLE TIE MOUNTS - SELF ADHESIVE

Fleet's self adhesive cable tie mounts are simple to install and are designed to offer the maximum surface area, and in conjunction with the specially developed adhesive, ensures that a very high pull-off force is achieved.

These self adhesive cable tie mounts offer a 4-way entry for the cable tie enabling quicker and more flexible installation.

Fleet's self adhesive cable tie mounts are the most convenient and easiest installation of cable ties and can be used in many industries from agriculture to truck manufacture.
